System Controllers

QUEBEC II	Auto switcher between 1 HDMI and 1 VGA inputs, HDMI input and VGA output. RS-232/ IR: Ports 1 x transmitter. Ports 3 x I/O Input trigger low < 1 VDC Input trigger high > 4 VDC.	6 018,14
QUEBEC III	Auto switcher between 2 HDMI inputs, HDMI input and HDMI output. RS-232/ IR: Ports 1 x transmitter. Ports 3 x I/O Input trigger low < 1 VDC Input trigger high > 4 VDC.	6 018,14
LIMA	Plenum rated POE powered control system. 2 bi-directional RS232 ports, 3 general purpose I/O ports, ethernet port, 2 built in low voltage relays, 1 front panel USB port.	12 289,97
QUEBEC PRO	Auto sensing AV control system, controls room functions, latest active source automatically detected and displayed, HDMI sense and repeat, VGA Hsynchron detection, 3 port HDMI switching, 2 Bi-directional, RS232 or 4 IR ports, 2 general purpose I/O ports, 1 Ethernet port, POE support	10 595,17
TANGO	Touch Panel Controller, POE in/out, 3 bi-directional RS232 or IR ports, 2 Uni-directional RS232 or IR ports, 8 general purpose I/O ports, 4 built in low voltage relays, ethernet port, 1 NEB port, 1 front USB port, IR learner, email notification of lamp/filter hours and warnings.	16 729,21
ALPHA II	Rack mounted AV control system with IOS or Android support for touch control. 3 bi-directional RS232 or 6 IR ports, 2 Uni-directional RS232 or 4 IR ports, 24 general purpose I/O ports, 4 built in low voltage relays, ethernet port, 1 NEB port, customisable GUI, IR learner.	28 927,02

Expansion Kits

NEB Extender	The NEB extender allows the use of CAT cable at a maximum length of 40M combined (1 x 40, 2 x 20 etc.) from NEB devices to NEB remote panels, Kit includes 2 extenders.	1 928,93
NEB Port Expansion	The NEB port expansion unit provides an RS485 port, an additional RS232 port and two additional I/O pins. Only one unit can be added to the NEB bus.	3 936,07
NEB Level Control	The NEB level control is a rotary volume control with push to mute or unmute functions and five LED level indication. Maximum cable length is 20M.	2 847,32
NEB Keypad	The NEB keypad is a wall panel with 8 configurable buttons each with LED indication. Up to 4 units can be used on one NEB bus.	3 293,24

Control Keypads		
BRAVO	4-Button AV control system, 4 Freely configurable keypad buttons, 1 Uni-directional RS-232 port or 1 IR port, 1 General Purpose I/O port, 1 front USB port. Automatic timer functions can switch AV-equipment off when inactive.	4 413,18
OSCAR	4-Button AV control system with Remote Monitoring, 4 Freely configurable keypad buttons, 1 Bi-directional RS-232 port or 1 IR port, 2 General Purpose I/O ports, 1 front USB port, 1 Ethernet port, Central Control software included.	4 811,16
ECHO	8-Button AV control system, 8 Freely configurable keypad buttons, 1 Bi-directional RS-232, 1 Uni-directional RS-232 or 1 IR port, 3 General Purpose I/O port, 1 NEB port (Neets Expansion Bus), 1 front USB port.	6 420,31
ECHO PLUS	8-Button AV control system with Remote Monitoring, 8 Freely configurable keypad buttons, 1 Bi-directional RS-232, 1 Uni-directional RS-232 or 1 IR port, 3 General Purpose I/O port, 1 NEB port (Neets Expansion Bus), 1 front USB port, 1 Ethernet port:Used for controlling two LAN devices & connection to Central Control and Project Designer. <u>Central Control software included</u>	8 427,91
SIERRA II	8-Button AV control system with iOS/Android support and Remote Monitoring, 8 Freely configurable keypad buttons, 1 Bi-directional RS-232 port or 2 IR ports, 2 Uni-directional RS-232 or 4 IR ports, 1 Ethernet port, 3 General Purpose I/O ports, 1 NEB port (Neets Expansion Bus), 1 front USB port, 1 Ethernet port:Used for controlling two LAN devices & connection to Central Control & Project Designer, PoE support, Email notifications & warnings, Infrared learner. <u>Central Control software included.</u>	12 040,47
UNIFORM 8 BUTTON	Neets Control – UniForm provides uniform AV control interface in all rooms regardless of chosen room and quipment.UniForm is a compact, highly customizable AV-control system in Danish design suitable for wall-mounting ensuring visible, easy-to-find remoteUniForm has PoE and never runs out of battery. PoE support to <u>avoid an external PSU</u>	8 637,84
UniFORM Wall Bracket	The Neets UniForm Wall Bracket makes it possible to mount The Neets Control - UniForm ON the wall, if it is not possible to mount the Neets Control – UniForm directly IN the wall. The Wall Bracket is easily fixed to any type of wall with the 4 screws, and the Neets Control - Uniform can then be mounted with the magnets on the <u>back of the UniForm product. Colour: White</u>	639,20
UniFORM 2x4 Wall Plate	Plate for Neets Uniform 2x4 - Colour: White	20,00

Touch Pads		
TOUCH PANEL 4	4" AV control touch panel, fully customisable, POE powered. Wall bracket included	13 011,46
TOUCH PANEL 7	7" AV control touch panel, fully customisable, POE powered. Wall bracket included or can be installed in 1 gang back box or used with the optional table stand	17 732,78
TOUCH PANEL 10	10" AV control touch panel, fully customisable, POE powered. Wall bracket included or can be installed in 1 gang back box or used with the optional table stand	24 649,77
TOUCH PANEL 4 + LIMA	4" AV control touch panel bundled with Neets LIMA system controller	24 037,19
TOUCH PANEL 7 + TANGO	7" AV control touch panel bundled with Neets TANGO system controller	32 789,07
TOUCH PANEL TABLE STAND	Table stand for 7" or 10" Neets touch panel	3 290,92
Audio Products		
AUDIO PRE - AMPLIFIER	Network controlled preamplifier with 3 band EQ and input 1 mix function. 4 unbalanced inputs and 1 balanced stereo output. USB audio input, LAN port, 2 bi-directional RS232 ports and 4 general purpose I/O ports. POE or 12V powered.	6 201,54
AUDIO AMPLIFIER 2:25	Network controlled amplifier with 3 band EQ and input 1 mix function. USB audio input, LAN port, 2 bi-directional RS232 ports and 4 general purpose I/O ports. 2 x 25W @ 8 Ohms, 35W @ 4 Ohms or bridged 34W @ 8 and 56W @ 4 Ohms.	6 201,54
RACK SHELF	Rack mount shelf for Audio pre-amplifier and Audio Amplifier 2:25	2 118,85
Sound Bar SB1	4 x 20W soundbar with 4" speakers and soft dome HF	12 500,00

Switching Control		
USB SWITCH 2	Auto or manual switching between 2 computers, USB 2.0, 2 second power switch delay. Built in amplifier allows 10M cable either side of switch.	3 024,20
SWITCHING RELAY 1	Switches power off when a device is not in use	1 720,40
SWITCHING RELAY 2	Dual relays with test buttons allowing control of 2 separate devices. Built in power supply.	5 180,75
SWITCHING RELAY 4	Four relays with test buttons allowing control of 4 separate devices. 4 I/O + 2 additional RS232 ports. LAN or RS232 control	8 633,65
SWITCHING RELAY 8	Rack mount unit with 8 relays. 8 I/O ports, test buttons with LED confirmation, switching for high voltage AC or low voltage DC. Adds 2 RS 232 ports. Configuration through LAN or RS232.	15 592,06
Emitters		
IR EMITTER	Single IR emitter with 3 M cable.	769,90
IR EMITTER Dual	Dual IR emitter with 3 M cable.	1 093,40
Accessories		
PIR Sensor	Movement sensor	1 672,92
IEC mains strip	4 x IEC mains connector strip	3 101,00
USB to RS232	Converts USB to RS232	758,73
UNI IR Learner	Connects to PC RS232 port and reads IR which is stored in a device driver.	2 788,20
